ORDER:

It is to inform that, the National Cyclone Risk Mitigation Project (NCRMP) costing Rs.771.50 crores (US \$167.10 million) funded by the World Bank (Implementation Development Association credit) is taken up in the State of Andhra Pradesh. Under Component-B of the project, construction of Multipurpose Cyclone Shelters, Roads to Cyclone Shelter, Roads to Habitations, Bridges and Saline Embankments are taken up. The project is being executed under two phases i.e. Phase-I and Phase-II.

2. Under Phase-I works were awarded by inviting bids following National Competitive Bidding (NCB) procurement procedures of World Bank using w2 bid document. Box tender system with item wise rates system was followed. Subsequently bids invited under this procedure revealed that the bids were received with very high excess tender percentage and not competitive enough. Further in some cases there was poor response to the bids. Hence it is now proposed to go for e-tendering for the remaining works of Phase-I and Phase-II works under NCRMP which will allow item wise rates only without any CAP on excess tender percentage as per World Bank procurement procedures.

3. On submission of proposals to the World Bank in the letter 1st read above, the World Bank has accepted for use of NIC developed e-procurement system (CPP) being used for APMDP for use in NCRMP for procurements following NCB – Goods and works.

4. The proposals have been sent to the NIC, APSU and Enforcement Directorate, Hyderabad through e-mail dated 04.09.2012 to permit for using the centralized public procurement (CPP) of NIC. The NIC in their e-mail dated:10.09.2012 have accepted proposal and permitted to use CPP system and informed that, the estimated project cost for the 1st year will be Rs.6.72 lakhs.

5. Necessary proposals have been sent to the Finance Department for issue of BRO for Rs.6.72 lakhs. Accordingly the Finance (EXP.REV) Department have issued BRO for Rs.6,72,000/- (Rupees six lakhs and seventy two thousands only) towards payment for NIC in the reference 5th read above.

6. After careful examination of the above, Government hereby accord administrative sanction to incur expenditure to an amount of Rs.6,72,000/- (Rupees six lakhs and seventy two thousands only) towards payment to NIC towards use of NIC development e-procurement system (CPP).
